**Fort Worth, Texas (March 28, 2017)** – Pape-Dawson Engineers, Inc. is pleased to announce Brandon W. O'Donald, P.E. as a new Practice Leader of Land Development in the Fort Worth area. Mr. O'Donald will be a key leader in our Fort Worth office, helping to promote and manage Pape-Dawson Engineers' land development services throughout the Dallas-Fort Worth metropolitan area.

Mr. O'Donald brings to the firm 20 years of experience in planning, designing, permitting, and project management of land development projects for public and private clients. His development experience includes single-family development, K-12 and higher education facilities, financial institutions, retail and mixed use developments, athletic facilities, multi-family residential, urban development in uptown and downtown Dallas, and medical facilities. Mr. O'Donald's local experience includes the American Airlines Center & Victory Plaza, Baylor Scott & White Medical Center, five new Mansfield ISD elementary schools, and the FC Dallas Toyota Stadium and Soccer Center.

"We are very pleased that Brandon has joined our team and will help expand our land development service areas," Pape-Dawson Engineers' Vice President Ken L. Davis, P.E. said. "Our clients throughout The Metroplex will benefit from Brandon's design and project management experience in the industry."

Mr. O'Donald holds a Bachelor of Science in Civil Engineering from the University of Texas in Arlington. He is a registered Professional Engineer in the State of Texas. Mr. O'Donald is also a member of the American Society of Professional Engineers and the American Planning Association.
