Dustin McKinney, PMP Promoted to Vice President

Pape-Dawson Proudly Announces the Promotion of Dustin McKinney

Fort Worth, Texas (June 18, 2024) - Pape-Dawson Engineers announces the promotion of Dustin McKinney, PMP to Vice President. Mr. McKinney joined Pape-Dawson in 2019 and has 26 years of experience in transportation design and management. His areas of expertise include stakeholder management, financial management plans, budget administration, cost benefit analyses, and risk management.

Mr. McKinney has been responsible for quality control, strategic planning, and change management for several major transportation projects throughout North Texas including TxDOT's North Tarrant Express, TxDOT's Dallas-Fort Worth Connector, NTTA's Chisholm Trail Parkway, and the Capitol Expressway. He also contributes greatly to Pape-Dawson's business development efforts.

In his new role as Vice President, Mr. McKinney will continue to work on high-level transportation projects and business development, while leading the growth of successful teams at Pape-Dawson.

"Dustin is a key member of our team, helping grow our group and continue to help our clients deliver successful projects that keep the Dallas-Fort Worth metroplex moving safely and efficiently," says Christine Graygor, P.E., Managing Vice President, Transportation (DFW). "We are thrilled to see him excel in this well-deserved new leadership role."

###

About Pape-Dawson

Founded in 1965, Pape-Dawson Engineers is a leading provider of engineering and consulting services. The firm provides a comprehensive range of services, including civil and structural engineering, environmental, and surveying services for development and critical infrastructure projects. The firm's network of engineers, surveyors, technicians, landscape architects, environmental specialists, biologists, planners, and construction management professionals produce projects that impact both the quality of life and economic opportunities in the communities they serve.
