Paco Guerrero, P.E. Promoted to Vice President

Pape-Dawson Proudly Announces the Promotion of Paco Guerrero, P.E.

Austin, TX – (May 18, 2022) Pape-Dawson Engineers, Inc. has promoted Paco Guerrero, P.E. to Vice President. Mr. Guerrero has nearly 30 years of experience in civil engineering with a focus on public works projects. He has designed and managed municipal water and wastewater projects of all sizes and provided his expertise with utility coordination and municipal utility design.

Mr. Guerrero’s extensive experience and advanced technical skills have positively impacted the outcome of many multidisciplinary water and wastewater improvements across the state of Texas. His history of effectively communicating with his colleagues to meet the needs of clients has been a great benefit to Pape-Dawson.

“Mr. Guerrero is highly regarded in the Austin community,” says Cara Tackett, Senior Vice President of Water Resources. “His client-focused style and technical expertise in the water resources field are significant benefits to the company and contributing to the success of City of Austin projects such as IH-35 Capital Express Central Utility Relocation and the upcoming Project Connect - Austin Water Utility Support Program. We are thrilled to have him continue his excellent work in this leadership role.”

Mr. Guerrero holds a Bachelor of Science in Civil Engineering from The University of Texas at El Paso. He is an active member of the American Water Works Association, Texas American Water Works Association, and the Water Environment Association of Texas.
